Key requirements to become a stockist:

1. You must have an independent retail or workshop location (stockists will not be allowed within a 5km radius from each other)
2. Your shop must be open and trading in order to be considered – applications lacking an address will not be considered
3. You may not sell our products below the recommended retail price, unless specials are put out from time to time or with direct permission from Tantum Bella

4. Should you fail to order replenished stock for more than 4 months you will automatically be removed as a stockist, which would make your area available to new stockist
